

The Rotherham Foundation Trust Library & Knowledge Service

## Keeping you up to date with the evidence you need

We offer a range of current awareness services to help you to stay up-to-date and to cut through information overload: bulletins, digests, alerting services, and more.

**Knowledge @lerts:** we can set up email alerts for you on subjects of your choice so you can be sure you are always up to date. This service is tailored to meet your needs and captures the latest research, guidance and professional developments in your field and delivers them to your inbox. Please tick to register and we will be in touch to discuss your requirements :

**Bulletins:** we produce a range of subject-specific bulletins and information digests to keep you up-to-date on developments in your work areas. Please tick to register for bulletins and we'll be in touch to discuss your requirements:

**Twitter:** if you would like us to contact you by Twitter please write your Twitter handle here: @ ..... You can follow us at @RotherhamNHSLib.

**New Book Alerts:** please tick here to receive an alert when we add new books within your speciality, or books relevant to your department: We will use the email address given below for this unless you specify an alternative here:

We have an **email distribution list** which we use to send out notices about new library services and events. If you would like to join please tick here. We will use the email address given below for this unless you specify an alternative here:

We send out **email reminders for overdue items**. Please write here the email address you would like us to use for this (e.g. NHS.uk/NHS.net/gmail/hotmail) if different from below:
