

NMC Revalidation Journal Clubs

November and December 2016

Do you wish to learn new skills and log some CPD hours to help with your nurse or midwife revalidation?

The Library and Knowledge Service is running a series journal clubs for nurses and midwives.

Each week we will look at a published article and consider it in terms of quality, results and local suitability.

Participants will learn about types of health care research and develop skills in how to assess research.

The sessions will be held in the library on D Level of the hospital lasting one hour. A CPD certificate will be issued for inclusion in their revalidation portfolio.

The subjects and times of forthcoming sessions are:

<i>Nursing handover</i>	<i>Noon Thursday 17th November</i>
<i>Nurses recognition of unsafe practice</i>	<i>9 am Tuesday 22th November</i>
<i>Hospital mealtime practice</i>	<i>Noon Friday 2nd December</i>
<i>Devices preventing pressure ulcers</i>	<i>4 pm Wednesday 7th December</i>
<i>Effective communication in nursing</i>	<i>9 am Thursday 15th December</i>
<i>Nurses views of patient participation</i>	<i>4 pm Monday 19th December</i>

There is no need to book you can just turn up on the day.

We can run session at other times if these are not suitable. We are keen to run sessions for departments when more specific papers can be looked at.
