

NMC Revalidation Journal Clubs

September 2017

Do you wish to learn new skills and log some CPD time for your nurse or midwife revalidation?

The Library and Knowledge Service is running a series journal clubs for nurses and midwives.

During each session we will look at a published article and consider its quality, results and local usefulness. Participants will learn about types of health care research and develop skills in how to assess research.

The one hour sessions will be held in the library on D Level of the hospital. A CPD certificate will be issued for inclusion in revalidation portfolios.

The subjects and times of forthcoming sessions are:

<i>Communication in nursing</i>	<i>4 pm Friday 1st September</i>
<i>Falls prevention</i>	<i>3 pm Wednesday 6th September</i>
<i>Pressure Ulcers</i>	<i>2 pm Monday 11th September</i>
<i>Meal Times</i>	<i>4 pm Thursday 21st September</i>
<i>Breaking Bad News</i>	<i>2 pm Tuesday 26th September</i>

There is no need to book you can just turn up on the day.

Sessions can be held at other these times if these are not suitable. We are keen to offer sessions for individual departments, including in the community, when more specific papers can be looked at.
