DynaMed

DynaMed is now available on the CCG intranet (in staff hub section please scroll down to Library & Knowledge Service – no login is needed). *DynaMed* provides clinically-organized summaries for nearly 3,000 disease and condition topics, incorporating over 800 drug topics. *DynaMed* editors monitor the content of over 500 medical journals, using a rigorous 7-step methodology for selecting and critically appraising each selected article. It is updated daily. DynaMed can be accessed via your iPhone, iPad, Blackberry, and Android devices.

DynaMed can be found also be accessed at <http://search.ebscohost.com> and log in with your Athens username and password.

If you have any queries please do not hesitate to contact a member of the Library & Knowledge Service Team on 01709 422096 or knowledge.service@rothgen.nhs.uk who will be happy to help.

If you would like copies of any of the documents listed in this bulletin or further information on any of the topics covered please contact:
